

# Aesculap® Favorita® blades

Recognised quality for professional use

## IMPORTANT

We recommend you get your blades sharpened by Aesculap or authorised Aesculap dealers and service centres only.

# Aesculap® Favorita® blades

Recognised quality for professional use

- High-quality carbon steel blades offer exceptionally long cutting edge retention
- Quality workmanship from Aesculap CNC machining centres; all parts are milled or profile-ground
- Constant cutting edge retention due to adjustable plate pressure
- High-end surface finish against corrosion
- Multiple sharpening service
