AESCULAP® BONUM

PROFESSIONAL **CORDLESS** CLIPPING MACHINE

AESCULAP BATTERY CLIPPERS BONUM

The new cordless clippers from Aesculap, fitted with lithium-ion batteries and a sleek and ergonomic design.

The Bonum is also a perfect fit for women's hands and boasts low weight, low noise and long battery life.

The Bonum is also fitted with an intelligent lithium-ion battery system. On the one hand, the battery technology protects the device from overheating and switches it off until it has cooled when the battery temperature reaches >50°C. On the other hand, the charger provides information on the battery status with two LED displays:

- extremely light, just 900 g incl. batter and shaving blade
- just 40 mm diameter and 12.5 cm in circumference in the grip area, therefore also great for small hands
- volume / frequency pleasant for your horse
- very short and handy at 295 mm in length
- very well balanced
- powerful and long-lasting
- lithium technology so no memory effect
- battery from tool professionals
- electronic push button recessed in the housing means no more accidental switching the machine on or off when handling
- Aesculap shearing blades from the Made in Germany Econom series

SUPPLIED PACKAGE:

Bonum clippers
1 or 2 batteries
charger
blade set 15/31 tooth (GT501/GT502)
instructions
oil
hard shell case

WEIGHT WITH BATTERY:
