AESCULAP® DURATI

CORDLESS CLIPPING MACHINE FOR SNAPON CLIPPING HEADS

AESCULAP BATTERY-OPERATED CLIPPER DURATI

The new small animal cordless clipper will win you over with its excellent price-performance ratio in the proven Aesculap quality. The light, balanced weight paired with the customary, well-engineered Aesculap performance and with simultaneously well-engineered battery run times results in a first class product in the SnapOn segment.

- a strong battery with lithium ion technology enables an extra long run time of ca. 4 h
- a high cutting speed via a high stroke rate of 3000 strokes per minute for an optimal cutting results
- glides very easily through thick and dirty coats
- ergonomically shaped handle area
- fatigue-free operation due to its extremely low weight
- charger with charging compartments for clipper and battery
- supplied with cutter head GT330

The new Li-ion battery generation developed for the Durati also fits Favorita CL and Fav5 CL and is naturally compatible with their chargers.

technical data
