

Aesculap[®] Torqui (GT140)

Precision adjustment aid for Favorita blades

For the perfect
plate pressure

Aesculap Suhl GmbH

Aesculap® Torqui (GT140)

Precision adjustment aid for Favorita blades

The advantages of Torqui at a glance:

- Precise basic setting of the plate pressure
- Increase of blade lifespan due to longer resharpening intervals
- Consistent cutting edge retention
- Simple handling
- No previous knowledge required
- Small, handy and maintenance-free
- Precision instrument "Made in Germany"
- Applicable for all Favorita blades
- All Favorita blades can be upgraded with the corresponding knurled screw

Now you have a built-in torque wrench available to adjust each Favorita blade in a snap.

Torqui – Your key to the Favorita system!
