

MADE IN GERMANY

AESCULAP® EXACTA
BATTERY-OPERATED CLIPPER / TRIMMER

AESCULAP BATTERY-OPERATED CLIPPER EXACTA

The trimmer for the specialist areas such as paws and face, and for precision contouring.

- li-ion battery technology: up to 120 minutes shearing with just max. 90 minutes charging time
- fascinating design: the tapered, extra-non-slip shape fits the hand perfectly
- low-fatigue working: extremely lightweight (approx. 115 g), very quiet and very low vibration
- superior cutting performance with carbon steel cutting head: cutting length: approx. 0.5 mm, cutting width: approx. 24 mm
- for different fur lengths: comb attachment can be set to 4 cutting lengths of approx. 3 - 6 mm
